

## **A tribute to Born in Africa**

There's a place in souther'n Africa  
where the stars are shining bright  
It is called the Bitou area  
that's where Isa saw the light.  
With the help of staff and voluntars  
they can make our dreams come true  
And together we'll start building  
a new life for me and you.

We are – Born in Africa  
we're the children of the Rand  
We are – Born in Africa  
we're walking hand in hand.  
We are – Born in Africa  
we're the future of this land  
And together we'll keep walking  
keep on walking hand in hand.

Through the schools we're gonna reach our goals  
doing sports and reading books  
On the camps we'll learn about the world  
How it works and how it looks  
So at last our dreams will be fulfilled  
We will be where we belong  
And together we'll pay tribute  
with the words of our song.

We are - Born in Africa.....
